OUR COMMITMENT

Agripro Insurance Brokers is a specialist brokerage dedicated to Australia's agricultural sector, focusing on large-scale pastoral, livestock, feedlot, and food processing operations. Utilising our extensive industry knowledge and client-first approach we deliver tailored risk solutions providing protection against complex exposures.

With a national presence and strong global market relationships, Agripro is the trusted partner for managing specialised covers, including Farm, ISR Property Insurance, Public and Products Liability, Professional Indemnity, Livestock Mortality, Product Recall and Commercial Motor.

WHY CHOOSE US

With decades of combined experience in agricultural insurance, Agripro brings specialist knowledge and proven expertise to every client. Our brokers understand the realities of farming and agribusiness, and use that insight to deliver practical, effective, and future-focused solutions. Backed by strong relationships with leading insurers, we provide clients with the confidence that their operations are protected today and for the long term.

AGRIPRO
INSURANCE BROKERS

"At Agripro, we combine global reach with in-depth agricultural know-how to deliver tailored, high-integrity risk solutions, backed by the lasting relationships we build with our clients."

DAVID MATHIESON
Director

OUR SERVICE MODEL

At Agripro, we take a practical approach to agricultural insurance. Our process is designed to remove complexity, deliver clarity, and ensure every client is protected properly not just insured.

1

Understand Your Business

We take the time to understand your operation, assets, and risks.

2

Assess and Advise

We identify exposures, gaps, and opportunities to strengthen your cover.

3

Tailored Insurance Solutions

We negotiate and structure policies to suit your operation.

4

Implementation & Support

We manage placement, documentation, and insurer negotiations.

5

Claims Advocacy

Supporting you when you need us the most.

6

Ongoing Review

As your business evolves, we ensure your insurance keeps pace.

WE'RE HERE WHEN YOU NEED US MOST.

EXPERT ADVICE. TAILORED SOLUTIONS. PROVEN RESULTS.

LEARN MORE ABOUT AGRIPRO

EXECUTIVE TEAM

Industry Expertise

David Mathieson

Director

David brings over 20 years of experience in agricultural insurance, specialising in Industrial and Specialised Risk programs. He has a strong track record of supporting large-scale agricultural enterprises to manage complex risk exposures and implement insurance strategies that protect profitability and ensure business continuity.

Anita Goodman

National Operations

With more than 25 years' experience as an agricultural insurance broker and underwriter, Anita brings deep industry expertise in agricultural risk management. She specialises in delivering tailored insurance strategies that address operational risks across diverse agricultural enterprises.

Jarrah Ransome

Head of Customer Experience

Jarrah is an agricultural insurance specialist with an academic background in Animal Science. Her in-depth knowledge of Australian farming systems enables her to provide practical, informed insurance advice, ensuring clients receive risk solutions aligned with real-world agricultural operations.

Karla Caldicott

Senior Account Manager

Karla has over 20 years' experience in agricultural finance and insurance and is a trusted agricultural insurance broker for farming enterprises nationwide. She brings strong insight into the evolving risk landscape of agriculture and delivers tailored insurance solutions to support business resilience.
